## Ponovitev 4. enote

Hello!

I hope you are fine and healthy and ready to practise your English 😊

If you have any questions, you can always write to me on my mail ([petra.mikeln@ospolje.si](mailto:petra.mikeln@ospolje.si)). I'd love to hear from you and I'm here to help you.

All the best,

Your teacher Petra

1) To start, first listen to your favourite song in English. You can simply sit back and listen to it or you can pay attention to tenses used 😊.

(Najprej poslušaj svojo najljubšo pesem v angleščini. Lahko le uživaš v njej ali pa pozorno prisluhneš, kateri časi so uporabljeni. 😊)

Here are some of my suggestions (connected with the past tenses 😊):

- Jes & Alison: [Song of the Simple Past](#)

- Pink: [Who Knew](#)

- Ginuwine: [Why Did You Go?](#) (it's a long one, but you can skip the last two minutes)

2) Look at the key to exercises in Student's Book, p. 46, and Workbook, pp. 38 and 39. Carefully check your work. Correct your mistakes and note down if you have any questions or doubts.

Tomorrow you will check the rest of the exercises in the workbook. And then I will ask you to give me some feedback and ask me questions.

(Poglej rešitve nalog spodaj. Natančno preveri svoje delo. Popravi napake in si zabeleži, če imaš kje kakšno vprašanje ali dvom.)

Jutri boš pregledal/-a še preostale naloge v delovnem zvezku. Nato mi boš dal/-a povratno informacijo in mi napisal/-a kakšno vprašanje.)
